Financial Assistance Request 2016-2017

Congregation Beth Ami is committed to helping our families provide a Jewish education for their children. Families who are currently experiencing financial hardship may apply for financial aid. Priority will be given to students in households that have experienced job loss, business failure, or loss of the primary earner's income during the last 6-12 months, to households with special needs that pose a significant financial barrier to participation in synagogue life, and to students in single parent families with financial need. Requests are due by the first day of religious school. **If you are unable to pay some part of the tuition and are requesting assistance, please call Executive Director Leah Frost at 360-3011. All submitted information will be kept confidential.**

We offer many opportunities to be involved both in the school's activities and in your child's Jewish education. Participation in the Religious School enriches your own experience through meeting other parents, building relationships, expanding their Jewish knowledge and feeling part of the life of this Jewish community. ***Please mark as many of the following as you can and return to the office.
