In the early morning hours of October 9, Paul was instrumental initiating evacuations in the Larkfield, Mark West and Fountaingrove areas, alerting the Chief Fire Marshall that the Tubbs Fire was here, in Santa Rosa, likely saving 100's of lives. Paul's focus was on getting others to safety, even as he knew his own home was lost in the fire.

We'll honor Paul for what he did that night, and what he does every day. Paul's family and parents, Ira & Marlene Lowenthal, will join us, as will his sister (current Beth Ami Community Nursery School Director) Priscilla Lowell and her family. We'll hear from members of Beth Ami whose homes were lost in the Tubbs Fires. Experience firsthand the value of community in creating hope and sustaining recovery. *Introductions by Jerry Newman & Carol Swanson*
