## **Sunday March 29th Pesach Plus**

We'll be learning about Passover by taking a scavenger hunt. You never know what we'll find and learn along the way. Our craft will be a decorative item for Pesach.

Event is free but donations for supplies are appreciated.

There is no April BAU event so as to not conflict with Simcha Sunday but we will get together on Sunday May 3rd - to learn about places and spaces around the world in Hebrew.
