Application Fee: \$100.00 non-refundable for new and returning students due with application.

Tuition Payments: Tuition is divided into 10 equal payments. The first payment (10% of annual CORE tuition) is a **non-refundable placement guarantee due by May 15 for returning families and May 1st for New Families**. Families that start after the beginning of the school year are required to pay their placement guarantee before their child starts in our program. The remaining payments are billed on the fifteenth and/or first of the month depending of preferences from August 15 – April 15.

Volunteering/Donating: BACNS is an extended family, made up of our students, families, and staff. We support each other and work together, because when a school and families work side by side, children thrive. We ask that families who join our school commit to supporting it in a way that works for them. Some families choose to make tax deductible donations, and some donate goods or services to our silent auction. Some choose to serve on committees, set up and clean up for events, drive on field trips, and/or volunteer around the school. Some families do all of the above. Our goal is to have 100% family engagement and participation, and we will include a form in your enrollment folder that will allow you to tell us how you'd like to contribute.

Enrichment: We offer optional, after-school enrichment classes five days a week from 1-1:35 p.m. Classes vary each day and year-to-year. We currently offer Amazing Athletes, a music class, gymnastics, soccer, and Kabbalat Kids, our Jewish Education program. These classes are taught by visiting teachers and payments are made to them directly. In order to ensure sufficient supervision, students enrolled in enrichment classes must be picked up promptly at the end of class or are subject to drop-in extended care rates. For students who are enrolled in enrichment AND after care, extended care billing will begin on those days.
