<i>Thursday, May 6 - 7:30-8:30</i>	<i>Becoming an Ally</i>

Please join the members of the Beth Ami Committee on Racism and Social Justice as we explore together:

- Have time together with your community at CBA to share experiences and perhaps some sensitive discussions.
- Explore racism and white privilege in the world today and how it has directly and indirectly been a part of our lives.
- Increase our understanding and learn how racism has molded our perceptions.
- Discover ways to be antiracist and support people of color.
- Gain tools and resources to initiate and build social justice in our community.

You can access our event on the Congregation Beth Ami website. Click on the *Events at a Glance and Virtual Week Calendar* to find the link. For more information contact Carol Swanson (swangirl@comcast.net).
