**Cost:** FREE but donations are accepted with gratitude.

The Social Action Committee is collecting winter items for the residents of the Palms. They will have baskets for drop off at the party for toiletries and small winter clothing: new or slightly worn hats, scarves, gloves, socks. Most of the residents are male so large sizes are preferred.

Because of Covid requirements, we are limiting attendance to Beth Ami members and their families, and the Nursery School is having a separate party.

- Vaccinations required if 5 years old or older.
- Socially distanced, ask before contact.
- Must wear mask when not eating.
- Fill out attestation at the door.
