

# Come Celebrate Tu B'Shevat with Don Landis, Sonoma County's "Olive Guy"

There is no charge for this event. Donations are always appreciated. It's essential to make a reservation with the office so we can make sure that masks, full vaccinations and other Covid measures, such as meeting outdoors or in a well-ventilated area, are in place.

**Sunday January 16th, 3 to 4 pm**

Tu B'Shevat means "15th of the month of Shevat" and is known as "New Year of Trees," marking the first blossoming of the almond trees. Fruit trees are especially appreciated on this "Jewish Arbor Day." The olive will get a very special appreciation at Beth Ami, with Don Landis the Olive Guy.

Sunday January 16 at 3 p.m. Don will speak about the history of olives in California and how he came to love de-bittering this ancient fruit. He will answer your questions on how, why, and where you can enjoy this sacred food, and share some wonderful tastes with us.
