OUR MISSION:
A KEHILLA THAT IS OPEN, WHERE RELATIONSHIPS MATTER
Congregation Beth Ami enriches our lives, transforms our hearts, helps heal the world and sustains our Jewish heritage. We are deeply rooted in Jewish tradition and welcome all to our community for celebration, learning, education and prayer.

Jewish Community Center

Dear Friends,

I excused myself from this meeting as my term at this wonderful synagogue is gently coming to a close and I would like to provide you with the chance to speak freely as you contemplate Beth Ami’s future.

I’m truly grateful for the decade-plus that I’ve spent with you in this beautiful community. Not only have you provided me and my family with parnassah - a livelihood, but you have also afforded me the opportunity to learn with all of you and, (I hope), deepen my own understanding of Judaism and how to serve God and God’s people.

Truly, our mission is to serve our members and the community at large. Here, the social and the spiritual have to work hand in hand - and across the generations. I believe that we exist to work together to ponder the “big” questions. In welcoming the Shabbat and avoiding the tasks of the work-week, we can find the time to meditate on why we have come into being; what role do we each have in this world, this universe?

We can also find the time to examine the lives we lead, and recognize the thousands of ways in which we are recipients of so many blessings, whether deserved or undeserved.

We can gather in groups to see how we may share these blessings with others, through bringing food to the hungry and clothing to the needy. We also provide a unique way to celebrate the milestones in our lives: from arrival to departure, and everything in between: Namings, Bar or Bat Mitzvah, Marriage and its attendant anniversaries.

As it says in Pirke Avot, “Yours is not to complete the work, but neither are you free to desist from doing it.”

In a nutshell: we exist to aid our members and anyone who comes under our roof, in discovering personal significance. Our prayers can train us to express appreciation; to admit our shortcomings; to seek forgiveness from our fellow human beings and from our Creator; to find healing through our own actions, the aid of others and ultimately from our Creator. Our Torah can serve as a guide to perfect our lives in this world and, I believe gain an entrance to an existence beyond the grave.

Our mission would be impossible were it not for so many of you, who generously volunteer your precious time and serve on our various committees. Each one of you plays a vital role, and every committee chair and its members represent a different artery in our synagogue body.

Co-ordinating all these efforts is our synagogue president, Barb McGee, who visibly demonstrates the deep love she has for her faith and for Beth Ami. It has been such a privilege for me to have her as a partner in serving this congregation. I suspect that she may be one of the hardest working presidents that I’ve ever known. All these various tasks, I would remind you, are for her, a labor of love.

As Beth Ami looks towards the future, may God bless each and every one of you; your families and friends. May your deliberations lead to success as you prepare to make an important transition and take the time to choose a new spiritual leader. And may all the ways in which our synagogue serves its members and our community find favor in God’s eyes.

“Chazak, chazak, venit’chazeik!”

“Be strong, be strong, and let us strengthen one another!”

With fondest wishes

Mordecai Miller, Rabbi
5783 has been a whirlwind of a year. Last September we started with well attended High Holiday services in the Friedman Center, the Preschool was back in session after a summer break, and Shabbat services with lunch had increasing attendance. We celebrated Chagim in person, too. In October, we started a small pod of religious school students off site and the Rabbinic search process was starting. We began first Friday Shabbat dinners in February and had two B’nai Mitzvah ceremonies. Life at shul was getting back to business as they say.

In January the torrential rains and winds initiated several building issues. We could only do temporary fixes, and with the stress of three straight months of inclement weather the Preschool closed before Passover break in April.

**What has the Board been doing?** In mid May, once we could get contractors and multiple bids, the Board of Directors approved a contract to permanently fix the flat roof. We have allocated money for tree work in the courtyard and drainage as well. We are evaluating the HVAC (Heating, Ventilation and Air Conditioning) for an August decision.

In April, your Board contracted to have Solar panels installed to lower the campus’ fixed operating costs. We are looking at grant monies to fund most of the cost.

**Where is the money coming from?** We will use some of our restricted funds, then need to address on-going maintenance costs for the future. With no managing director on the campus, a written maintenance schedule will be one of our challenges this year. As insurance and fixed cost rise we cannot keep any vacant space. How we proceed with the building’s purpose will be another Board focus.

In January, the Rabbinic Search committee started working on the synagogue resume and job application. The whole search process lasts about eighteen months and has many steps. I want to thank the committee and co-chairs Bonnie Boren and Karen Herskovic for their commitment, time and care. The final decision and negotiations are probably the most important task the board will have this coming year. The job will be posted in early fall and we hope to have someone hired by Pesach next year.

**What as a congregant can you do to help?** PLEASE participate, create or help with a community or fundraising event, bring new unaffiliated friends to events, and be on one of our committees. Be involved, attend, and let a board member know what you think.

I want to thank each and every committee chair and member. It takes a lot of time to plan the many details to provide programs and serve the community. I am grateful the congregation continues to have events through your generous time and resources. Thanks to our musicians and prayer leaders for bringing us joy by sharing yourselves.

I want to acknowledge and thank Elizabeth, our office manager for 17 years who continues to take care of our many day to day office tasks while helping me reorganize the office. She is available 5 days a week to answer questions by phone and email.

This year, the Friedman Center has had many more events as the world has opened up again. It continues to be recognized as an elegant hometown location for celebrations and events. Thanks, Director Andrea Nett.

I want to thank Rabbi Miller for all his efforts to make sure we have services on Friday nights, Saturday mornings, daily services morning and night and all Chag services. He continues to teach every day, provides pastoral services, is involved with committees and events, and many other synagogue matters all on a part-time salary. He has been with us for the last eleven years and as he gets ready to retire at the end of June 2024, I want to thank him immensely for his continued kindness, teaching and service to our community.

I want to thank the CBA board of directors. Each one of them spends a lot of time to keep this congregation running. This year board member Henry Cohn is retiring from the board. He has been President twice and Treasurer for many of his 30 plus years as a member. He has been my mentor, sounding board and support for the last two years. Thank you, Henry. You will be missed. L’hitraot.

As summer season begins, we have many community events planned that I hope will pique your interest starting with a Matzah Brei Fry July 16. Please see this Shofar and coming cybershuls for this and other events.

I can also announce we’ll have Jessie Leider as the High Holiday Chazzan this year. Jessie is a Northern California native. She recently moved to Los Angeles and is the daughter of former Kol Shofar Rabbi Susan Leider. Rabbi Miller and Jessie are already preparing to bring us meaningful and uplifting services. Information on High Holidays will be sent mid August. Renewal letters for 5784 will be sent mid July.

As my tour of service ends next fiscal year, there will continue to be challenges and many wonderful surprises too. Thank you for this opportunity to serve. When I can help make positive connections, facilitate a happy event, work for and represent our community, I realize how fortunate I am to be part of Beth Ami. I look forward to next year and am grateful for each of you, and to our ultimate source too.

In peace and good health, Barbara McGee, President, 2023-2024

Our High Holy Day Cantor, Jessie Leider

*The Religious Practices Committee is very, very happy to introduce our Cantor for the coming High Holy Days, Jessie Leider.*

A native of California, Jessie grew up in Los Angeles where she was an active member of the Jewish and Performing Arts communities throughout her childhood. She completed her undergraduate studies in New York City, earning dual Bachelors of Arts degrees from Columbia University and the Jewish Theological Seminary of America in French & Francophone Studies and Midrash.

Jessie has worked in formal and informal Jewish education spaces, including Berkeley Hillel and Congregation Kol Shofar in Tiburon, where she served as High Holy Day Cantor for 5 years. Since 2020, Jessie has enjoyed running her own small tutoring business, working with students of all ages on prayer leading, B’nai Mitzvah prep, music, and more.

Jessie loves traveling and foreign languages, and has spent extended periods living, volunteering, and studying in France, Israel, and Mexico. Most recently, she had the amazing opportunity to spend three years living in Oaxaca, Mexico. This summer, Jessie will be returning to Los Angeles to pursue a Masters in Marriage and Family Therapy at the California School of Professional Psychology.

When not studying or teaching, she enjoys writing music, painting, swimming, and salsa dancing. She is thrilled to be joining Congregation Beth Ami for the High Holy Days this year.

Matzah Brei Fry in July!
Sunday morning July 16th

Sunday July 16th from 10 a.m. to 12 p.m. We’ll answer the question, what to do with a wall of donated matzah? Well, come enjoy a Matzah Brei Fry on Sunday, July 16th and help us break down that wall.

We’ll have all your favorite toppings, which are much better in July than in April... plums, peaches, apricots, strawberries, cherries, everything is ripe now.

Our volunteer Matzah Brei cooks have perfected their techniques and the kitchen is ready to go. We are not charging but we rely on donations to buy supplies.

An RSVP email to the office helps too. Hope to see you there!

Beth Ami Book Group: The Loves of Judith
by Linda Emblen

On Sunday, July 9, we’ll meet for discussion of THE LOVES OF JUDITH (aka 4 MEALS) by Meir Shalev (Fiction, 315 pgs, Hebrew 1994, Engl. trans. 1999.) For those of you new to our congregation, we usually read fiction by Jewish authors and/or on Jewish themes and borrow books from the SF Jewish Community Library Book Club in a Box which includes 12 copies of the same title plus some in the original Hebrew. A few copies are still available here to borrow. Amos Oz, who grew up in Jerusalem in the years before and after Israeli independence, is a very famous and distinguished writer and his memoir is highly recommended by our Israeli/American writer and book club member, Dan Anbar. A TALE is also available as an e-book, audio book, AND as a MOVIE --- live-streaming and on Netflex. And I’m borrowing the DVD which will come with the book box. See www.jewishcommunitylibrary.org.

Usually, we meet in small, lively in-person discussion groups, 5-8 people, sometimes 2 groups, this time of year in my garden under the fig tree. Occasionally we meet in other members’ homes. Last month Andy and Nancy Fleming graciously hosted us. For the Amos Oz memoir, we may meet in a somewhat larger group and view and discuss the movie too. Tune in to the Cybershul for update. Come regularly or for a particular book --- or movie. All CBA members and friends are welcome to participate. RSVP. Questions or comments to Linda 707-544-4532.

**Advocates for Social Justice**
*by Carol Swanson, Chair*

**What have we been doing lately?**

We visited the California Indian Museum and Cultural Center in Santa Rosa and saw some wonderful exhibits of local native America tribes, Pomo, Miwok, and Wappo. What a really fine cultural center. The center is partnered with the National Indian Justice Center and the California Indian Storytellers Association. We were fortunate to meet one of the directors and had an amazing discussion comparing Jewish and Native American stories of holocausts and discrimination. We hope to have her come speak at CBA. We plan to continue a relationship with the center and find ways to advocate for the social justice issues specific to the Pomo and Miwok community in Sonoma County.

In May our committee sponsored a Shabbat dinner which was followed with a panel of speakers who talked about our environment as a social justice issue. It was moderated by our own CBA member, Ilana Stoelting, daughter of Leanne and Mark Schy. Ilana is supervising park ranger at Sonoma County Regional Parks. Our guest speakers were Dan Levitis, Community Science Coordinator for Sonoma Ecology Center and Leah Halper, of the Climate Center Rapid Response Network of California. The future of our planet, what we can expect and how we can help was focused on. How is this a social justice issue? What can we do to take care of our planet and with Tikkun Olam in our hearts? It was an excellent evening that was motivational and inspirational.

Our next project is an event that we hope everyone at CBA will participate in. It is called Reverse Tashlich; Tikkun Ha Yam. It is an international Jewish Community waterfront cleanup. On September 10, 2023 the Jewish community will come together around the world to clean their local environment for the 6th Annual Reverse Tashlich. Location, time and more information will be announced soon. www.repairthesea.org/rt2023

Our group meets every third Thursday of the month in the afternoon. If you are interested in joining or learning more about the committee, contact Carol Swanson at swangirl@comcast.net.

Current members: Carol Swanson (Chair), Bonnie Boren, Betty Boyd, Myrna Morse, Ellen Mundell, Lyla Nathan, Rabbi Miller, Michelle Zygielbaum, Myra Thomas, Jerry Newman.
Social Action
by Lyla Nathan, Chair

A Busy Year

The SAC committee consists of a dedicated group of people who volunteer in Tikkun Olam activities throughout the year. The committee has been active for many years. The current members are: Ellen Mundell, Michelle Zygielbaum, Andy and Nancy Fleming, Fredrika Gross, Judy Gunnar, Lenore Holloway, Leanne Schy, Bobbie Rosenthal, Judi Hyman, Deborah Sokolsky, Susan Miller, Karen Hershkovic, Cheryle Miller and Lyla Nathan (chair)

This year we have concentrated our efforts at The Palms. The Palms is a converted motel on Santa Rosa Ave that serves chronically homeless vets or clients from Catholic Charities. The facility is managed by Catholic Charities. We serve in person. Our menu is generally the same: chili, salad, corn bread and brownies or cookies. Every dish is homemade. We serve about 100 people. Many of the residents know us and greet us with “Shalom”. We serve once every 2 months. We are serving Wednesday August 16.

This year we decided to have clothing and toiletries as part of our dinner. In the past it was a yearly event. We realized the need is great all year round.

I want to give a big shout out to the Beth Ami community for supporting the clothing and toiletries drive. We have received wonderful useful donations. The bins are in the foyer of the shul. Thanks so much.

A few months ago, we had a tour of the new Caritas Village. The village is owned and managed by Catholic Charities. It is a new state of the art wrap around facility for homeless and immigration services. It’s the model that is hopefully the way of the future. There are tours every other Thursday. Sign up at Catholic Charities if interested. Last week we sponsored a very informative and interesting Friday night Shabbat featuring executives from the facility.

We still are supporting REFB. Hoping to set a date this summer to go as a group. However, you can always bring healthy food to the shul as the bins are there.

We have meetings every month. If you are interested in joining our team or would like to volunteer making something for the Palms you are very welcome. You can contact:

Lyla Nathan@707 -486-4905.
What’s happening in the CBA Kitchen?

The Kitchen Committee is a sub-committee of the Religious Practices Committee. Before it was formed, the kitchen’s use was strictly limited to those persons the Rabbi trusted to follow the rules of Kashrut, use the available equipment safely, and keep everything secure.

To open the CBA Kitchen to more people, in 2011, this sub-committee was formed to encourage the use of the CBA kitchen while following the Congregation Beth Ami’s established guidelines and practices to ensure Kashrut status, safety, hygiene, and security were maintained. Our main task is to train and provide volunteer mashgichim to supervise and advise those who want to use the kitchen to prepare kosher food for their events.

In 2022, with the COVID pandemic going into its third year, we gradually saw the COVID infections and hospitalization rates dropping and the CBA Kitchen increasing in use. Shabbat lunches were restarted in June 2022, evolving from being fully sponsored and prepared in the CBA Kitchen to gradually returning to Potluck lunches as the COVID cases declined. In July, we were able to have a Matzo Brei Fry, and in September there was an outdoor BBQ. By the time the High Holy Days and Sukkot were approaching, and the COVID case numbers continued to drop, we were discussing resuming our ‘normal’ activities. In December, everyone enjoyed the kitchen made applesauce and latkes made for the Hanukah Party. The First Friday Shabbat Dinners were restarted in January with David Kahn being our cook in charge. So far this year we have had great food and entertainment with Klezmer Creek or have had meaningful panel discussions. We also had Mark Dierkhising (owner of Midtown and Parkside Dierk’s Cafe), and Bernard and Maria Soltes (owners of Pasta Etc) add some exciting touches and help with some of the monthly dinners. In February and early March, we baked over 800 Hamantashen for the Shalach Manos Bags, Purim Services, and the Purim Piano Bar event. Passover was celebrated with a second night community seder and with either a lunch or an oneg after each in person holiday service. There was another BBQ on May 9th to celebrate Lag B’Omer. For Shavuot, besides having treats for the Tikkun Leil, about 75 blintzes were made to be enjoyed during the lunches served after Shavuot services. During this past year we also celebrated two B’nai Mitzvah, and had a few special birthdays celebrations.

...continued next page
Throughout the year, challah was made in the CBA Kitchen for Kiddush for holidays and Shabbat. With our ongoing potluck lunches, we now have five mashgichim who have volunteered to organize one Shabbat Potluck per month. There is a new Dinner Team of volunteers formed to make the Shabbat Dinners be even easier to organize.

As the new year of 2023-2024 starts, we are looking forward to the continuation of our Shabbat Potluck Lunches, and First Friday Dinners. Currently there are more summer plans being discussed. Look forward to another Matzo Brei Fry and another BBQ before the High Holy Days arrive.

As events are developed, if food is involved, it is the volunteer mashgichim that opened up the kitchen to allow anyone to use the CBA kitchen. We also provided a Mashgiach class in late June 2022 to start training new candidates and provide a review for our volunteer Mashgichim. We continue to work on developing policies and procedures to help everyone (those who keep kosher and those who don’t) understand how to maintain the CBA kitchen’s Kashruth status and keep everyone safe. In addition, this committee working along with the Facilities Committee sees to the maintenance of Kitchen, the appliances, and storage for supplies and food. Thanks go out to all of our volunteer mashgichim and members of the Kitchen Committee who help with all of this.

Our chair of the Kitchen Committee is Myra Thomas. Our Mashgiach-in-charge of the Kitchen Committee is Rabbi Mordecai Miller.

On behalf of the kitchen committee,
Thank you

Needs for the Kitchen

The Potluck Lunches needs food items donated. We need canned foods like tuna, salmon, kippers, mackerel, sardines, jars (not the restaurant size please) of mayonnaise, mustard, pickle relish, other condiments, cheeses (plain, domestic please), and of course; crackers, cookies. Remember packages need to be unopened and marked Kosher. Please no out-of-date foods.

If you are planning to bring a dish to our potluck, wonderful! Just remember to please make certain it follows the potluck guidelines. If you have any questions, just ask someone who’s a mashgach or on the kitchen committee. If they don’t know, they know whom to ask.

Thank you! Enjoy,
—Janet Stein-Larson
Jews have always served as the world’s bogeyman. The KGB used bogeymen worldwide to create Jew-hatred.

- In Africa, they blamed Jews for Apartheid.
- In Latin America, for Imperialism.
- In Asia, with Japanese-style Irredentism and Revanchism.
- They allied with Arab countries, using the Jewish State as the common enemy. Russia armed Egypt and other Arab countries, whose aim was to annihilate the Jewish State.

Elsewhere, I summarized conclusive evidence that the KGB was instrumental in establishing Fatah and the PLO. They not only recruited and trained both Arafat and Abbas but were even very active in writing the PLO constitution.

Today we see all canards merged. The Jewish State is now accused of Racism, Apartheid, and Ethnic Cleansing. Jews are accused of controlling the news, entertainment, comedy, film, and TV, aiding in the Holocaust, disloyalty to their host country, war mongering, killing civilians, crimes and human rights abuses, occupation, pulling the strings for all global affairs, and holding outsized influence over US policy.

Throughout history, Jews were blamed for whatever they feared or hated. For all, our people are the universal Bogeyman. For example, consider the following:

- For Christians, we killed their Messiah
- For Moslems, we are infidels who must be subjugated
- During the dark ages, when the Black Plague killed much of the population of Europe, we were blamed for poisoning wells
- To Whites, Jews are colored
- To Blacks, Jews are white.
- To socialists, Jews are capitalists.
- To capitalists, Jews are socialists.

Everybody hates the Jews for their own reasons.

Russian active measures against Jews did not die when the USSR collapsed. Even today, France reports finding KGB disinformation against Jews and Israel.

Divisions within Jewry. Active measures are designed to create or widen divisions. We see divisions growing within Jewry, where the largest division is Particularism and Universalism. For many Jews, Universalism as found in Russia has replaced Jewish particularism. Judaism teaches that they must be balanced. Instead, Universalism has created a schism within the Jewish People.

Jewish students at a pluralistic community high school learned about Kristallnacht and were then asked what they learned and for what cause they would not be silent. Their answers included homophobia, sexism, and gun violence. Not one mentioned antisemitism.

Holocaust education often stresses Universalism. Holocaust Remembrance Day should be about how Nazis and others aimed to kill all Jews worldwide because of their race and culture. Instead, the Holocaust is diluted and diminished by including all mass killings.

Rabbi Ammiel Hirsch, a well-known rabbi, said in his presentation to a gathering of Reform Rabbis, “I fear we are losing the soul of the Reform Movement” because of its embrace of Universalism. He pleaded with his fellow rabbis to heed the Jewish obligations to the Jewish People and the Jewish State.

Let me end with what I think we should do now. To end or at least diminish Jew-hatred, I believe we should instill Jewish pride in ourselves, our children, and our congregations. Jewish pride depends on Jewish education.

Media put out by “The Jewish Leadership Project” pronounces that current mainstream Jewish leaders have been sorely deficient in addressing these issues.

**KULANU: SYNAGOGUES IN ACTION AGAINST ANTISEMITISM**

*This National Program from USCJ and ADL Welcomes Beth Ami Participation*

With the rise of antisemitic incidents over the last few years, USCJ and ADL have partnered to offer you the opportunity to participate in a nationwide synagogue engagement program called Kulanu: Synagogues in Action Against Antisemitism. This no-cost, self-directed program for congregations of any size and budget educates and empowers clergy, staff and lay leaders to mobilize their members and local community in the fight against antisemitism and hate.

Kulanu, meaning “all of us”, is an 8-month program running from October 2023 to June 2024. More than 30 USCJ synagogues participated in the first cohort of Kulanu, and we invite you to join the next cohort by applying by August 15, 2023. Participating congregations benefit from ADL experts, resources and content including an initiative inspiration library in addition to networking opportunities with Kulanu congregations across the country.

Kulanu synagogues form working groups to develop and launch two initiatives about combating antisemitism in advocacy, community engagement, and education. One initiative is internal, engaging cohorts and age groups within your synagogue. The other initiative engages external organizations beyond your synagogue such as local non-profits, advocacy organizations, schools, faith communities or interfaith groups. Participating synagogues also benefit from a Community of Practice and exclusive access to ADL experts, content and webinars. Kulanu synagogues develop the necessary tools to activate their communities. **If you are interested in spearheading or participating in this effort, contact Barb McGee 707-953-2526.**

ABOUT TISHA B’AV:

Tisha B’Av (“the ninth of Av”) is an annual fast day in Judaism, on which a number of disasters in Jewish history occurred, primarily the destruction of both Solomon’s Temple by the Neo-Babylonian Empire and the Second Temple by the Roman Empire in Jerusalem.

Tisha B’Av is regarded as the saddest day in the Jewish calendar, and it is thus believed to be a day which is destined for tragedy. The observance of the day includes five prohibitions, most notable of which is a 25-hour fast. The Book of Lamentations, which mourns the destruction of Jerusalem, is read in the synagogue, followed by the recitation of kinnot, liturgical dirges that lament the loss of the Temples and Jerusalem. As the day has become associated with remembrance of other major calamities which have befallen the Jewish people, some kinnot also recall events such as the murder of the Ten Martyrs by the Romans, expulsions from England, Spain and elsewhere, massacres of numerous medieval Jewish communities during the Crusades, and the Holocaust. —Wikipedia
